CLIENT SERVICE STANDARDS
[15/10/2014] [15/10/2014]

CCSR - Introduction

Client Service Standards are a set of minimum standards that all Queensland Government departments and agencies must adhere to when providing services to the public. These standards are designed to ensure that the Queensland Government provides a high quality, efficient and cost-effective service to its clients.

The Client Service Standards are a set of minimum standards that all Queensland Government departments and agencies must adhere to when providing services to the public. These standards are designed to ensure that the Queensland Government provides a high quality, efficient and cost-effective service to its clients.
