

SCHEDULE D

Areas where native title does not exist

Native title rights and interests have been wholly extinguished in the following areas of land and waters:

1. The following roads within the external boundaries of NT Portion 1323 constructed by or on behalf of the Northern Territory as public roads:
 - (a) A strip of land 100m in width, being the land 50m each side of the centreline of the road known as the Nathan River Road from the boundary of the Mambaliya Rrumburriya Wuyaliya Aboriginal Land Trust (NT Portion 5706, formerly Carpentaria Downs Station) to the boundary of the Jandanku Aboriginal Land Trust (NT Portion 1203, formerly Bauhinia Downs Station);
 - (b) A strip of land 100m in width, being the land 50m each side of the centreline of the road known as Ryans Bend Road from the Nathan River Road to the boundary of McArthur River Station (NT Portion 4319, comprising of the former Tawallah, McArthur River and Bing Bong Stations);
 - (c) A strip of land 100m in width, being the land 50m each side of the centreline of the road known as Bauhinia Property Access from the Nathan River Road to the boundary the Jandanku Aboriginal Land Trust (NT Portion 1203, formerly Bauhinia Downs Station);
 - (d) A strip of land 100m in width, being the land 50m each side of the centreline of the road known as Lorella Road from Nathan River Road to the boundary Lorella Springs Station (NT Portion 1333) (also known as the Lorella Springs Access Road); and
 - (e) A strip of land 100m in width, being the land 50m each side of the centreline of the road known as Billengarra Homestead Access Road 100m wide from the site of the former Billengarra Station Homestead to the Ryan Bends Road (also known as Billengarra Homestead Road).
2. Those parts of the Determination Area covered by public works as defined in s 253 of the Act (including adjacent land or waters as defined in s 251D of the Act) which were constructed, established or situated prior to 23 December 1996 or commenced to be constructed or established on or before that date, including but not limited to:

- (a) gravel pits adjacent to the roads referred to at paragraph 1 above used to maintain those roads;
- (b) access roads or tracks to the public works referred to in this clause;
- (c) Government bores and associated infrastructure including bores used for the establishment, operation or maintenance of public and other roads;
- (d) river and rain gauges;
- (e) transmission and distribution water pipes and associated infrastructure;
- (f) sewer pipes, sewer pump stations and associated infrastructure; and
- (g) electricity transmission lines, towers, poles and associated infrastructure.
