

SCHEDULE 3 – EXTERNAL BOUNDARY

The area of land and waters:

Commencing at the intersection of the eastern bank of the Lockhart River and Lloyd Bay, a point at Longitude 143.377116° East, Latitude 12.869645° South and extending south-westerly across the mouth of the Lockhart River until its centre point; then generally southerly along the centreline of that river to the intersection with an unnamed creek (Wachi Creek) at Latitude 12.997983° South; then generally westerly along the centreline of that creek to the intersection with an unnamed creek at Longitude 143.360605° East; then generally north-westerly, then south-westerly along the centreline of that unnamed creek to a point at Longitude 143.325933° East, passing through the following coordinate point:

Longitude ° East	Latitude ° South
143.342895	12.990563

Then due south to a point on the centreline of the Great Dividing Range at Latitude 13.210972° South; then generally southerly along the centreline of the Great Dividing Range until the intersection with the southern boundary of an unnamed road at Latitude 13.362296° South (Stoney Creek Road), further described as:

Then generally southerly along the centreline of the Great Dividing Range until a point at Latitude 13.246570° South; then south to the northernmost northeast corner of Lot 450 on SP104554; then southerly along the eastern boundary of that lot until the intersection with the northern boundary of an unnamed road at Latitude 13.361150° South; then south-west along the eastern boundary of that road to a point on its southern boundary at Latitude 13.362296° South;

then generally easterly, then south-easterly bisecting the headwaters of the Nesbit River, to a point on the centreline of the Macrossan Range at Latitude 13.373304° South, also being a point on the western boundary of Lot 17 on SP104551, passing through the following coordinate points:

Longitude ° East	Latitude ° South
143.408837	13.353059
143.434283	13.348215

143.461714	13.347977
143.467783	13.353562
143.469592	13.361251
143.473512	13.367131

Then generally south-easterly along the western boundary of Lot 17 on SP104551, also the centreline of the Macrossan Range, intersecting Cone Peak at approximate Longitude 143.491676 East, and onwards until a point at Longitude 143.492882 East, until the intersection with Cone Peak at approx. Longitude 143.491676° East; then easterly to a point on the eastern boundary of Lot 16 on SP104551 at Longitude 143.567011° East, Latitude 13.370487° South (Kaapakachingunuma) passing through the following coordinate points:

Longitude ° East	Latitude ° South
143.495767	13.382749
143.501651	13.383399
143.508108	13.383481
143.524521	13.380459

then north-westerly along eastern boundary of Lot 16 on SP104551 to the eastern-most point of Lot 17 on SP104551; then northerly along the eastern boundary of that lot to again Lot 16 on SP104551; then generally northerly then westerly along the eastern and northern boundaries of that lot, passing across the mouths of any creeks and rivers, back to the commencement point.

(All Subject to Survey).

Data Reference and source

Cadastral data sourced from Department of Resources, Qld (May 2021).

Watercourse lines sourced from Department of Resources, Qld (May 2021).

Mountain ranges, beaches and sea passages sourced from Department of Resources, Qld (May 2021).

Mountain peaks and capes sourced from Department of Resources, Qld (April 2021).

Reference datum

Geographical coordinates are referenced to the Geocentric Datum of Australia 1994 (GDA94), in decimal degrees.

Use of Coordinates

Where coordinates are used within the description to represent cadastral or topographical boundaries or the intersection with such, they are intended as a guide only. As an outcome to the custodians of cadastral and topographic data continuously recalculating the geographic position of their data based on improved survey and data maintenance procedures, it is not possible to accurately define such a position other than by detailed ground survey.

Prepared by Department of Resources (25 May 2021).
