

SCHEDULE D

Areas where native title does not exist

Native title rights and interests have been wholly extinguished in the following areas of land and waters:

1. Those parts of the Determination Area covered by the following roads comprising public works:
 - (a) that part of NT Portion 1334 comprising Nathan River Road 100m wide (50m either side of the centreline) commencing from the northern boundary of NT Portion 1334 to the southern boundary of this parcel as indicated on the Determination Map at Schedule B;
 - (b) that part of NT Portion 1334 comprising Nathan River Homestead Access road of variable width as indicated on the Determination Map at Schedule B.
2. Those parts of the Determination Area covered by public works as defined in s 253 of the Act (including adjacent land or waters as defined in s 251D of the Act) which were constructed, established or situated prior to 23 December 1996 or commenced to be constructed or established on or before that date, including but not limited to:
 - (a) gravel pits adjacent to the roads referred to at paragraph 1 above used to maintain those roads;
 - (b) access roads or tracks to the public works referred to in this clause;
 - (c) Government bores and associated infrastructure including bores used for the establishment, operation or maintenance of public and other roads;
 - (d) river and rain gauges;
 - (e) transmission and distribution water pipes and associated infrastructure;
 - (f) sewer pipes, sewer pump stations and associated infrastructure; and
 - (g) electricity transmission lines, towers, poles and associated infrastructure.
