

SCHEDULE FOUR

Areas to which Section 47B of the Native Title Act Applies

Section 47B of the *Native Title Act* applies to the following land and waters within the Determination Area, which are generally shown as shaded in blue on the maps at Schedule Two:

ULC identifier	Location/description
1	The area generally in the north-west section of the Determination area, south of the Transline, north of Madura and Mundrabilla pastoral leases and extending east to the Forrest-Mundrabilla Road.
2	East from the Forrest-Mundrabilla Road and the eastern boundary of Pastoral Lease N50290 to the Western Australia/South Australia border. Northern boundary is the Transline, and the southern boundary is, variously, the northern boundary of PL N50290 and the Eyre Highway.
3	On the western boundary of the Determination area, with Caiguna and Point Dover marked to the NW and SW of this boundary.
5	Strip running south of the Eyre Highway on the northern boundary of the claim area as it transects Reserve 27632, the Nuytsland Nature Reserve
6	(Note: this area is subject to the agreement recorded at Schedule 5(A)).
8	Three UCL parcels from east of Reserve 27632 to approximately 5km west of the old Eucla townsite.
19	Area previously subject to Reserve 22935, surrounded by UCL 2.
157	The corner of the area identified as UCL 19 crosses the boundary of the Determination Area from the west just south of Caiguna, surrounded by UCL 3.
160	Lot 31 on deposited plan 192677, surrounded by UCL 6.
164	Lot 3 on deposited plan 157808, surrounded by UCL 2.
