

Extract from Register of Indigenous Land Use Agreements

NNTT number	DI2013/003
Short name	Wallace Rockhole Powerline ILUA
ILUA type	Area Agreement
Date registered	13/03/2014
State/territory	Northern Territory
Local government region	MacDonnell Shire

Description of the area covered by the agreement

Clause 1.1 defines the ILUA Area as the area described in Schedule 2 and depicted in the map contained in Schedule 3.

[A copy of Schedule 2 and 3 is attached to this Register Extract.

The following general description of the agreement area has been provided by the National Native Title Tribunal to assist people to understand the location of the agreement area. It is provided for information only and should not be considered part of the Register of ILUAs:

The agreement area is a 100m wide and approximately 15 km long corridor covering 1.5 sq km and is located approximately 22 km south west of Alice Springs.]

Parties to agreement

Applicant

Party name	Power and Water Corporation
Contact address	GPO Box 1921 Darwin NT 0801

Other Parties

Party name	Central Land Council
Contact address	27 Stuart Highway Alice Springs NT 0871

Period in which the agreement will operate

Start date	25/09/2013
End date	not specified

2.1 This ILUA commences on the Commencement Date and the obligations, rights, warranties and provisions contained in this ILUA are effective from the Commencement Date.

2.5 This ILUA operates for the duration of the Project.

'Commencement Date' means the date of this ILUA, being the date that the last Party executes this ILUA [25 September 2013].

Statements of the kind mentioned in ss. 24EB(1) or 24EBA(1) or (4)

4.1 To the extent that any of the Relevant Acts constitute or amount to a Future Act, the Parties consent to the doing of any or all of those Relevant Acts (without conditions) subject to the provisions of this ILUA and agrees not to challenge the validity of the Relevant Acts at any time in the future.

4.2 The right to negotiate provisions of Subdivision P of Division 3 of Part 2 of the NTA are not intended to apply to the doing of any or all of the Relevant Acts, and the Parties intend for this ILUA to be for the carrying out of the Project.

4.4 The Parties acknowledge and agree that while this ILUA is registered on the Register all Relevant Acts that may have been done invalidly, are to the extent that it is necessary to so provide, valid to the extent that they affect Native Title in the ILUA Area in accordance with section 24EBA(1)(a)(i) of the NTA.

"Powerline" means the proposed high voltage electricity distribution line and associated assets used to transport electricity from Alice Springs to Hermannsburg via Wallace Rockhole.

"Project" means all the operations proposed or which may be undertaken in relation to or incidental to the activities conducted or authorised under any Relevant Acts to develop, construct, install, use, operate, maintain, repair, replace and further develop the Powerline in the ILUA Area.
