

SCHEDULE 9 - PARTICULAR FUTURE ACTS

This Schedule contains some *Particular Future Acts* which the *Parties* identified as pending at the time this *Agreement* was negotiated and the conditions (if any) on which consent to the *Particular Future Acts* is given (refer to Clause 44).

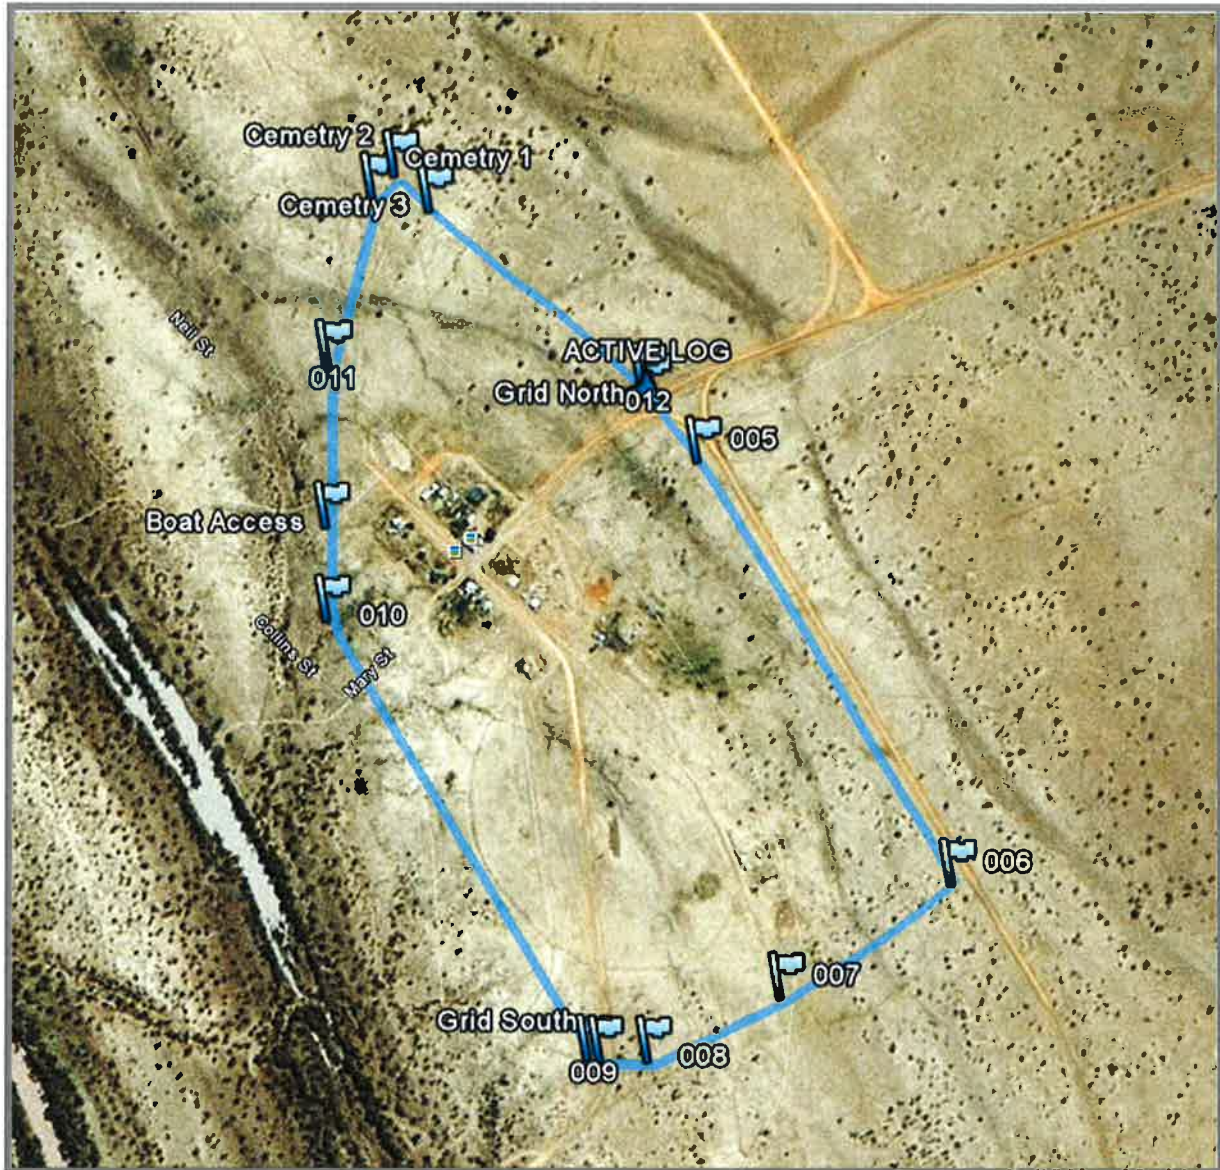

A. Description of Particular Future Act

1. Tenure changes necessary to expand the current infrastructure corridor from Urandangie township to Urandangie airport (including any deviation necessary to link the Marmaya community and the adjoining education facilities), capable of carrying infrastructure for community services including but not limited to:
 - (a) Solar power.
 - (b) Electricity or gas.
 - (c) Water and sewerage pipelines.
2. Installation of infrastructure along the infrastructure corridor referred to in paragraph A1.
3. A grant of one or more trustee leases either to or by the *Boulia Shire Council* over the town common at Urandangie more particularly described as Lot 8 on SP135892.
4. The construction of infrastructure or the delivery of services by the *Boulia Shire Council* or its agent for the benefit of the Urandangie community including any works to maintain, upgrade or make improvements to infrastructure, recreation areas (including the rodeo ground and racecourse) and sporting facilities and compliance with any related regulatory requirements including the issuance of permits.
5. Any act necessary to encourage and support the economic development of Urandangie township.

B. Conditions

1. The following conditions apply to the consent given to the *Particular Future Acts* described in paragraphs A1 and A2:-
 - (a) Whenever practicable, the existing water infrastructure corridor must be used.
 - (b) The infrastructure corridor must not exceed a width of 30 metres.
2. The following conditions apply to the consent given to the *Particular Future Acts* described in paragraphs A3:-
 - (a) A trustee lease can only affect that portion of the town common at Urandangie which lies within the external boundary illustrated on the aerial photo in paragraph C with the relevant boundary points more particularly described in paragraph C.
 - (b) A trustee lease cannot impede the future expansion of or any improvements planned for the Urandangie township.
3. The following conditions apply to the consent given to the *Particular Future Acts* described in paragraphs A4 and A5:-
 - (a) The proposed act must be discussed at a *Consultative Committee*; and
 - (b) prior written consent to each specific act must then be obtained from two representatives for the *Bularnu Waluwarra and Wangkayujuru Peoples* who sit on the *Consultative Committee*.
