

SCHEDULE 1

Map and description of ILUA Area

The agreement area covers all the land and waters within the external boundary described as:

Approximately 6000 sq metres centred at

Longitude 139°34' 54.3" East, Latitude 17° 07' 15.0" South.

Note

Data Reference and source

- Agreement boundary compiled by National Native Title Tribunal based on information provided by MMG.

Reference datum

Geographical coordinate have been provided by the NNTT Geospatial Services and are referenced to the Geocentric Datum of Australia 1994 (GDA94), in degrees, minutes and seconds and is based on the spatial reference data acquired from the various custodians at the time.

Use of Coordinates

Where coordinates are used within the description to represent cadastral or topographical boundaries or the intersection with such, they are intended as a guide only. As an outcome of the custodians of cadastral and topographic data continuously recalculating the geographic position of their data based on improved survey and data maintenance procedures, it is not possible to accurately define such a position other than by detailed ground survey.
