

Schedule 3 – Timber Project and Project Interests

Timber Project means:

1. the planning, design, development, and conduct of a timber felling and harvesting operation to produce saw logs and other timber products and by-products for commercial sale or use;
2. the marketing and sale of saw logs and other timber products and by-products;
3. the planning, design, development and conduct of a mine-site rehabilitation operation, which may include seed collection, plant nurseries, bio-mass recovery and use, reforestation and establishment of timber plantations; and
4. the planning, design, development, construction and operation of any infrastructure, facilities or activities necessary or desirable for or incidental to any of the above, including production, milling, energy generation, transportation, shipping, loading, landing, storage, safety, accommodation, communications and logistics and associated facilities and activities.

The Project Interests are:

1. Timber sales permit number 20110853 to get hardwood log timber issued by the State to WTH under the *Forestry Act 1959* (Qld), as it may be Modified from time to time
2. any other Approvals (or any other rights or interests) that WTH considers are necessary or desirable for, or incidental to, the undertaking of the Timber Project in any part of the Agreement Area including:
 - (a) under relevant laws of the State and the Commonwealth;
 - (b) the declaration, dedication, use, management or similar act of any part of the Agreement Area for reserve including road purposes;
 - (c) the de-gazettal or similar act of any roads, reserves or other Crown land;
 - (d) tenure under the *Land Act 1994* (Qld) and the *Land Title Act 1994* (Qld) and any easements, including any trustee lease under the *Land Act 1994* (Qld);
 - (e) any water licence, dam licence, or any other Approval under the *Water Act 2000* (Qld);
 - (f) any Approvals related to or associated with any Infrastructure or other Infrastructure Facilities including, but not limited to, power lines, water pipelines, gas pipelines, haul roads, accommodation camps, buildings and roads;
 - (g) Approvals for dredging, spoil disposal or in relation to shipping and other port activities; and
 - (h) Approvals under the *Sustainable Planning Act 2009* (Qld) including any development approval or approval for reconfiguration or subdivision of a lot;
3. the undertaking of any acts pursuant to the above considered by WTH as necessary or desirable for, or incidental to, the undertaking of the Timber Project;

4. the making, amendment or repeal of legislation, regulations, by-laws, ordinances (and similar acts) necessary or desirable for, or incidental to, the undertaking of the Timber Project,

but, for the avoidance of doubt the Project Interests do not include any compulsory acquisition or agreement to the surrender to the State of Native Title Rights and Interests in relation to any part of the Agreement Area.
