##### **Native title holders (s 225(a))**

2. The native title in the Determination Area is held by the persons described in Schedule 3 (**native title holders**).

3. Subject to paragraphs 4, 5 and 6, the nature and extent of the native title rights and interests in relation to the Determination Area is the right to possession, occupation, use and enjoyment of the Determination Area to the exclusion of all others.

### Qualifications on native title rights and interests (s 225(b); 225(e))

4. Native title rights and interests are subject to and exercisable in accordance with:
- (a) the laws of the State and the Commonwealth, including the common law; and
  - (b) the traditional laws and customs of the native title holders.
5. For the avoidance of doubt, the nature and extent of native title rights and interests in relation to water in any watercourse, wetland or underground water source as defined in the *Rights in Water and Irrigation Act 1914* (WA) as at the date of this Determination is the non-exclusive right to take, use and enjoy that water.
6. Notwithstanding anything in this Determination there are no native title rights and interests in the Determination Area in or in relation to:
- (a) minerals as defined in the *Mining Act 1904* (WA) (repealed) and the *Mining Act 1978* (WA);
  - (b) petroleum as defined in the *Petroleum Act 1936* (WA) (repealed) and the *Petroleum and Geothermal Energy Resources Act 1967* (WA); and

- (a) to the extent of any inconsistency between the other interests and the continued existence, enjoyment or exercise of the native title rights and interests, the native title rights and interests continue to exist in their entirety, but the native title rights and interests have no effect in relation to the other interests to the extent of the inconsistency during the currency of the other interests; and
  - (b) otherwise the other interests co-exist with the native title rights and interests. To avoid doubt, the doing of an activity required or permitted under those other interests prevails over the native title rights and interests and their exercise, but does not extinguish them.
