

Schedule C

Areas where native title does not exist

Native title rights and interests have been wholly extinguished in the following areas of land and waters:

Public works

Those parts of the Determination area being the land or waters on which any public work as defined in s 253 of the Act is situated, including:

- (a) public roads and bores;
- (b) gravel and fill pits that are on land or waters defined in s 251D of the Act;
- (c) transmission water pipes, distribution water pipes, sewer pipes, bores, sewer pump stations, overhead power lines.

The areas described in (a) to (c) comprise the land on which the public works were constructed prior to the date of this Determination.
