DETERMINATION

THE COURT ORDERS, DECLARES AND DETERMINES THAT:

Existence of native title: s 225 of the *Native Title Act*

(1) Subject to paragraph 2, native title exists in the Determination Area in the manner set out in paragraph 4 of this

determination.

(2) Native title does not exist in those parts of the Determination Area that are identified in Schedule Three which are shown as generally shaded pink on the map at Schedule Two.

Native title holders: s 225(a) of the *Native Title Act*

(3) The native title in the Determination Area is held by Palyku People. The Palyku People are the people referred to in Schedule Five.

The nature and extent of native title rights and interests and exclusiveness of native title: s 225(b) and s 225(e) of the *Native Title Act*

(4) Subject to paragraphs 2, 5, 6, 7 and 10, the nature and extent of the native title rights and interests in relation to the Determination Area are that they confer the following non-exclusive rights on the Palyku People, including the right to conduct activities necessary to give effect to them:

(a) the right to enter and remain on the land, camp, erect temporary shelters and travel over and visit any part of the land and waters of the Determination Area;

(b) the right to hunt, fish, gather, take and use the traditional resources of the land;

(c) the right to take and use water;

(d) the right to engage in cultural activities and the transmission of cultural knowledge on the Determination Area, including:

(i) visiting places of cultural or spiritual importance and maintaining, caring for, and protecting those places by carrying out activities to preserve their physical or spiritual integrity; and

(ii) conducting ceremony and ritual, including burial and burial rites; and

(e) the right to be accompanied on to the Determination Area by those people who, though not Palyku People and who (for the avoidance of doubt) cannot themselves exercise any native title right in the Determination Area, are:

(i) the non-Palyku spouses, parents or children of the Palyku People; or

(ii) people entering in connection with, and subject to, traditional law and custom for the performance of ceremonies or cultural activities on the Determination Area.

Qualifications on the native title rights and interests

(5) The native title rights and interests are subject to and exercisable in accordance with:

(a) the laws of the State and the Commonwealth of Australia, including the common law; and

(b) the traditional laws and customs of the Palyku People for personal, domestic and communal purposes (including social, cultural, religious, spiritual and ceremonial purposes) but not for commercial purposes.

(6) Notwithstanding anything in this Determination, there are no native title rights and interests in the Determination Area in relation to:

(a) minerals as defined in the *Mining Act 1904 (WA)* (repealed) and in the *Mining Act 1978 (WA)*, except to the extent that ochre is not a mineral pursuant to the *Mining Act 1904 (WA)*;

(b) petroleum as defined in the *Petroleum Act 1936 (WA)* (repealed) and in the *Petroleum and Geothermal Energy Resources Act 1967 (WA)*;

(d) water captured by the holders of the Other Interests pursuant to those Other Interests.

(7) The native title rights and interests set out in paragraph 4 do not confer:

(a) possession, occupation, use and enjoyment on the Palyku People to the exclusion of all others; or

The nature and extent of any other interests: s 225(c) of the *Native Title Act*

(8) The nature and extent of the Other Interests are described in Schedule Four.

(a) to the extent that any of the Other Interests are inconsistent with the continued existence, enjoyment or exercise of the native title rights and interests, the native title rights and interests continue to exist in their entirety, but the native title rights and interests have no effect in relation to the Other Interests to the extent of the inconsistency during the currency of the Other Interests; and otherwise,

(b) the existence and exercise of the native title rights and interests do not prevent the doing of any activity required or permitted to be done by or under the Other Interests, and the Other Interests, and the doing of any activity required or permitted to be done by or under the Other Interests, prevail over the native title rights and interests and any exercise of the native title rights and interests but do not extinguish them.

Liberty to Apply
