

Schedule 5 – Where Native Title is not Exclusive Possession

[See paragraph 5 of the Determination]

The parts of the Determination Area where native title comprises the rights and interests set out in paragraph 5 of the Determination are all parts where native title exists other than those referred to in Schedule 4, as generally shown on the Maps in Schedule 7. For the avoidance of doubt, those parts are the following areas:

Reserves

Tenure ID	Description
Reserve 50683	A reserve set aside for the purpose of "boat ramp" located on Lot 300 on Deposited Plan 68241.
Part Reserve 51473	That part of reserve 51473 (being a reserve set aside for the purpose of "pipeline corridor associated with the Browse LNG Precinct") which is located on Lot 3006 on Deposited Plan 68252.
Part Reserve 51474	That part of reserve 51474 (being a reserve set aside for the purpose of "pipeline corridor associated with the Browse LNG Precinct") which is located on Lot 3003 on Deposited Plan 68251.
Part Reserve 51546	That part of reserve 51546 (being a reserve set aside for the purpose of "port purposes") which was formerly described as Lot 3000 on Deposited Plan 68245 and is now a portion of Lot 331 on Deposited Plan 75851.

Areas of Unallocated Crown Land

- a. The area of unallocated Crown land described in the table immediately below

UCL Number	General Area Description
UCL 002	An area of unallocated Crown land generally located not less than 1 km from the coastline in the eastern portion of the Determination Area where Reserve 29983 (Coloumb Point Nature Reserve) is located.

- b. Each area of unallocated Crown land to the extent (if any) that such area is not included in numbered paragraph "b" in Schedule 4. (For the avoidance of doubt, for the purposes of this paragraph, UCL 002 is not to be taken as included in paragraph "b" of Schedule 4.)
- c. Any other area not identified in Schedule 2 Part 2 or Schedule 4.
