The determination area commences at the north-west corner of Northern Territory Portion (“NT Portion”) 3375 (Neutral Junction Pastoral Lease, Perpetual Pastoral Lease No 969) and travels east along the entire length of the northern boundary of NT Portion 3375. Upon reaching the north-east corner of NT Portion 3375, the determination area boundary (“the boundary”) continues in an easterly direction along the length of the northern boundary of NT Portion 5017 (a small section of railway corridor owned by the AustralAsia Railway Corporation). From the north-east corner of NT Portion 5017, the boundary travels due east, cutting across NT Portion 5687 (railway corridor owned by AustralAsia Railway Corporation) and NT Portion 4336 (vacant Crown land) until it reaches the eastern boundary of NT Portion 4336, which is also the western boundary of the Stuart Highway road corridor. The boundary then travels southwards down the western boundary of the Stuart Highway road corridor until it intersects NT Portion 4337 (Reserve Crown land), then westerly along the northern boundary of NT Portion 4337 until it reaches the north-west corner of that parcel. From that corner, the boundary travels in a south-westerly direction to the south-east corner of NT Portion 4849 (freehold owned by Akwerrenge Aboriginal Corporation) and then north, north-westerly along the length of the eastern boundary of NT Portion 4849. It then follows the entire length of the northern boundary of that parcel, and then along the length of the western boundary of that parcel to the south-west corner of NT Portion 4849. From that corner, the boundary travels west to

133.982325, -21.284934; then north-westerly to 133.814907, -21.141428; then due west to the western boundary of NT Portion 3375. The boundary then travels north along the western boundary of NT Portion 3375 to the point of commencement at the north-west corner of that parcel.

2. NT Portion 1757 (freehold owned by the Australian Telecommunications Commission) is excluded from the Determination area. This parcel is located near the north-eastern corner of the claim area.
