

Schedule 3 – External Boundary

The area of land and waters:

Commencing at the intersection of the southern boundary of the Wuthathi, Kuuku Y'au & Northern Kaanju People determination (QUD6023/2002), Hann Creek and the northern boundary of Lot 1 on CP907817, a point at Longitude 142.990404° East, and extending generally south-easterly along the centreline of that creek to the intersection with the centreline of the Pascoe River at Longitude 143.086482° East; then generally south-south westerly along the centreline of that river to the intersection with an unnamed road (Kennedy Road/Frenchmans Road) at Latitude 12.699618° South; then generally south-easterly along the centreline of that road until the intersection with the centreline of Portland Roads Road at Longitude 143.089114° East; then easterly along the centreline of that road to the intersection with Brown Creek at Longitude 143.105466° East; then generally south-easterly along the centreline of that creek until a point at Latitude 12.819886° South; then easterly to a point at Longitude 143.200592° East, Latitude 12.819711° South; then south-easterly to the northern-most point of Table Range at Latitude 12.872772° South; then generally southerly along the centreline of Table Range to its southern-most point at Latitude 12.976257° South; then south-easterly to a point on the centreline of an unnamed creek (Wachi Creek) at Longitude 143.325933° East, Latitude 13.002818° South passing through the following coordinate points:

| Longitude ° East | Latitude ° South |
|------------------|------------------|
| 143.284326 | 12.979144 |
| 143.284790 | 12.982934 |
| 143.287342 | 12.987730 |
| 143.291055 | 12.990515 |
| 143.298249 | 12.991520 |
| 143.303741 | 12.992526 |
| 143.315189 | 12.997631 |
| 143.319289 | 13.001112 |
| 143.322692 | 13.002581 |

Then due south to a point on the centreline of the Great Dividing Range at Latitude 13.210972° South; then south-westerly to the headwaters of Hull Creek at Longitude 143.297462° East, Latitude 13.220071° South; then generally south-westerly along

the centreline of that creek to its intersection with the centreline of Geike Creek; then westerly along the centreline of that creek until its intersection with the centreline of Archer River; then westerly along the centreline of that river until its intersection with the eastern tributary of Pinnacle Creek at Longitude 142.848823° East; then generally northerly along the centreline of that creek until an unnamed tributary at Latitude 13.308707° South; then northerly along the centreline of that unnamed tributary until it reaches the headwaters at Longitude 142.817737° East, Latitude 13.248008° South; then northerly to the intersection of Telegraph Road (also known as the Old Telegraph Track) and an unnamed access road at Latitude 13.228853° South; then north-westerly along the centreline of Telegraph Road until it intersects with another unnamed access road at Latitude 13.188979° South; then north-westerly to the intersection of Nettle Creek and an unnamed tributary at Longitude 142.775311° East, Latitude 13.162993° South; then easterly to Longitude 142.801580° East, Latitude 13.162352° South; then northerly to Longitude 142.802139° East, Latitude 13.113875° South; then westerly to a point adjacent to Plain Creek at Longitude 142.753961° East, Latitude 13.113430° South; then southerly to Longitude 142.755182° East, Latitude 13.150363° South; then north-westerly to the headwaters of Heskett Creek at Longitude 142.658150° East, Latitude 13.048170° South, adjacent to Peninsula Development Road; then generally north-easterly along the centreline of that creek, as far as the junction of the intermittent stream at approximately Longitude 142.720304° East, Latitude 12.895012° South; then generally northerly and north-westerly along the centreline of that unnamed creek taking the northern channel to its intersection with the eastern boundary of Lot 5 on SP241405 at Latitude 12.840698° South, being the Batavia National Park CYPAL (also known as Embley Range Nature Reserve); then northerly along that eastern boundary to the north-eastern corner of the Batavia National Park CYPAL where it intersects the centreline of Sudley – Batavia Road, then north-easterly along that road to its intersection with the eastern-most tributary of Lydia Creek at Longitude 142.667264° East; then generally north-westerly along the centreline of that creek to its intersection with an unnamed tributary at Latitude 12.499582° South; then northerly along the centreline of that tributary to its intersection with another unnamed tributary at Latitude 12.495680° South; then north-easterly to its intersection with the south-eastern corner of the eastern-most severance of Lot 12 on SP241431, being the Moreton Telegraph Station block; then northerly, westerly and southerly along the boundaries of Lot 12 on SP241431, crossing Bromley and Telegraph Roads, to its intersection with the northern bank of the Wenlock River; then southerly to the centreline of that river; then westerly along the centreline of that river to its intersection with the centreline of Schramm Creek; then northerly along the centreline of that creek to its intersection with the northern boundary of Lot 22 on SP241405 at Latitude 12.265213° South, being the Batavia National Park CYPAL; then following that boundary north-easterly until it intersects with the Great Dividing Range at Longitude 142.687911° East. then south-easterly along the Great Dividing Range

until it intersects the western boundary of Lot 153 on SP288864 at Latitude 12.407658° South (also being the western boundary Wuthathi, Kuuku Y'au & Northern Kaanju People determination (QUD6023/2002)); then southerly and easterly along that determination back to the commencement point, further described as:

southerly and easterly along the western and southern boundaries of Lot 153 on SP288864, including the severance south of Bromley Road, to its intersection with the northernmost corner of Lot 154 on SP288864; then southerly, northerly and easterly along the western and southern boundaries of that lot back to the commencement point.

(All Subject to Survey)

Road 250K Geodata (Series 3) sourced from Geoscience Australia (August 2021)

Reference datum

Geographical coordinates are referenced to the Geocentric Datum of Australia 1994 (GDA94), in decimal degrees.

Use of Coordinates

Where coordinates are used within the description to represent cadastral or topographical boundaries or the intersection with such, they are intended as a guide only. As an outcome to the custodians of cadastral and topographic data continuously recalculating the geographic position of their data based on improved survey and data maintenance procedures, it is not possible to accurately define such a position other than by detailed ground survey.
