

Schedule 2 Low Native Title Impact Activities

(clause 12)

1. The *low native title impact activities* are:
 - (a) inspecting, maintaining, repairing and reinstating *electricity infrastructure* or *access tracks*;
 - (b) tree lopping and tree clearing:
 - (i) in the immediate vicinity of *electricity infrastructure*;
 - (ii) required for the safe operation or use of the *electricity infrastructure*; or
 - (iii) required for public health or safety;
 - (c) installing street light poles and service / intermediate poles that are tied into the existing power line system in urban areas / town precincts;
 - (d) the performance of statutory duties and responsibilities under the *Electricity Act*, *Electricity Regulation* or other laws;
 - (e) the grant of any valid lease, easement, permit, licence or other interest to *Ergon Energy* which was operative prior to the date of commencement of this Agreement from the owner or occupier of land for a use of or incidental to the performance of statutory duties and responsibilities under the *Electricity Act*, *Electricity Regulation* or other laws;
 - (f) the exercise by *Ergon Energy* of any rights or obligations under any way-leave agreement, easement, license, permit or other interest over land or waters that are validly operative as at the date of commencement of this Agreement;
 - (g) accessing the *Native Title Agreement Area* for the purpose of undertaking any *low native title impact activity*.
2. *Ergon Energy* will comply with the following procedures when conducting *low native title impact activities*:
 - (a) take reasonable measures to rehabilitate any damage or interference to land or water caused by the *low native title impact activities*;
 - (b) not access any building used as a dwelling or the curtilage of a building used as a dwelling unless *Ergon Energy* has obtained the necessary consents or warrants required by law to access the building or the curtilage; and
 - (c) perform the activities in accordance with the standards of skill and safety required under the *Electricity Act* and *Electricity Regulation*.
