#### **Statements of the kind mentioned in ss. 24EB(1) or 24EBA(1) or (4)**

##### 8.1 Consent to Agreed Acts

(a) The Native Title Applicants agree with, consent to and support and continue to agree with, consent to and support the Existing Operations including all RTIO [Rio Tinto Iron Ore] Existing Titles.

(b) Subject to clause 11.12 of the Participation Agreement and clause 8.1(c), the Native Title Applicants agree with, consent to and support, and continue to agree with, consent to and support:

(i) the doing of every Future Act;

(ii) the Grant or Modification of every:

(A) Approval; and

(B) Interest, and

(iii) the Modification of every RTIO Existing Title, that is for an Agreed Purpose.

(c) Clause 8.1(b) does not apply to the extent an act or thing is done or to be done within or in relation to the Special Cultural Significance Areas.

(d) RTIO warrants that, as at the Commencement Date, it does not have any Existing Operations and is not seeking the Grant of any new Interests or Approvals within or in relation to the Special Cultural Significance Areas.

##### 8.2 Consent to reliance on Approvals and Interests

Without limiting clause 8.1, the Native Title Applicants agree with, consent to and support and continue to agree with, consent to and support the reliance on and the conduct by RTIO Entities of all activities required, permitted or contemplated by each Agreed Act, including as Modified.

##### Clause 8.5 What is an Agreed Purpose?

(a) An 'Agreed Purpose' means any of the following from time to time: (i) the Existing Operations; (ii) any Modification of any of the things comprising those operations provided they remain part of RTIO's Pilbara Iron Ore Business; and (iii) the planning, development, operation and expansion, further expansion and decommissioning of any aspect of RTIO's Pilbara Iron Ore Business from time to time, including new iron ore mines, borrow and ballast pits and necessary supporting infrastructure.

(b) Without limiting clause 8.5(a), the development, operation or expansion of each of the following is deemed to be an 'Agreed Purpose' if a Substantial Reason for its development, operation or expansion is for RTIO's Pilbara Iron Ore Business: [new power, water, rail and road infrastructure and associated infrastructure and works; iron ore processing infrastructure and works; construction camps; town infrastructure and accommodation infrastructure.]

(c) In this clause 8.5, 'Substantial Reason' means, subject to clause 8.5(d), on the balance of probabilities, it would have been unlikely to be developed, constructed or operated were it not required for RTIO's Pilbara Iron Ore Business, even though it may be used for other purposes.

(d) Where the Agreed Purpose is for town infrastructure comprising dwellings or commercial facilities within a town:

(i) if:

(A) the dwellings or commercial facilities are being established in accordance with a Government Agreement that requires not more than 20% of the total occupied, or to be occupied, dwellings or commercial facilities to be offered for sale or lease to the general public;

and

(B) each of the dwellings or commercial facilities that are not required to be offered for sale or lease to the general public would have been unlikely to be developed or constructed were it not required for RTIO's Pilbara Iron Ore Business,

then each of the dwellings or commercial facilities will be an Agreed Purpose ;

(ii) where clause 8.5(d)(i) does not apply, it will only be an Agreed Purpose if and insofar as each of the dwellings or commercial facilities would have been unlikely to be developed or constructed were it not required for RTIO's Pilbara Iron Ore Business.

#### 11.4 Consent to Future Acts - Native Title Act section 24CB

For the purposes of section 24EB(1) of the Native Title Act, the parties consent to all Agreed Acts to the extent they involve Future Acts without conditions but in accordance with this document. [Agreed Acts are those agreed to under clauses 8.1 and 8.2.]

#### 11.6 Right to negotiate does not apply - Native Title Act section 24EB(1)(c)

The process set out in Subdivision P of Division 3 of Part 2 of the Native Title Act, known as the right to negotiate process, is not intended to apply to any Agreed Act.
