

SCHEDULE FOUR

AREAS WHERE NATIVE TITLE DOES NOT EXIST

Paragraph 2

Native title does not exist in relation to land and waters the subject of the following interests within the Determination Area which, with the exception of public works (as described in clause 7 of this Schedule), are generally shaded in pink on the maps in Schedule Two.

For the avoidance of doubt, unless otherwise specified, the following interests are as they existed as at 1 January 2020 and as contained in the MapInfo Tenure Information prepared by the Western Australian Land Information Authority dated 31 July 2020. The non-existence of native title is not necessarily a result of the grant or creation of these interests.⁴

⁴ This is particularly the case with current tenures within the townsite of Meekatharra. The tenures included in the determination are by reference to current tenures as at 1 January 2020, however, native title over the area of the Meekatharra townsite was extinguished by the vesting of Reserve 15815 in the Meekatharra Road Board on 9 November 1917.
