

## **Annexure 2 – DESCRIPTION OF THE MALGANA AGREEMENT AREA**

### **Malgana & Wooramel Station ILUA**

#### **External boundary description**

The agreement area covers all the land and waters within the external boundary described as: Those parts of Wooramel Pastoral Lease (N050177) that fall within Native Title Determination WAD6236/1998 Malgana (WCD2018/012), further described as:

Those parts of Wooramel Pastoral Lease (N050177) that fall southerly and easterly of a line commencing at the intersection of the High-Water Mark with the right bank (northern) of the Wooramel River; then generally northerly and generally easterly along that bank to Longitude 115.362930° East.

**Excluding that area** identified in Schedule Four of Native Title Determination WAD6236/1998 Malgana (WCD2018/012) as areas where Native Title Does Not Exist, being:

- Historical Freehold lots with Certificates of Title CT0042100145, CT0051400072, and CT0051400097.

#### **Note**

##### **Data Reference and source**

- Agreement boundary compiled by National Native Title Tribunal based on information or instructions provided by the applicants.
- Native Title Determination WAD6236/1998 Malgana (WCD2018/012) as determined by the Federal Court on 4 December 2018.
- Cadastre data and High-Water Mark sourced from Landgate, WA (August 2018)

##### **Reference datum**

Geographical coordinates have been provided by the NNTT Geospatial Services and are referenced to the Geocentric Datum of Australia 1994 (GDA94), in decimal degrees and are based on the spatial reference data acquired from the various custodians at the time

##### **Use of Coordinates**

Where coordinates are used within the description to represent cadastral or topographical boundaries or the intersection with such, they are intended as a guide only. As an outcome of

the custodians of cadastral and topographic data continuously recalculating the geographic position of their data based on improved survey and data maintenance procedures, it is not possible to accurately define such a position other than by detailed ground survey.

Prepared by Geospatial Services, National Native Title Tribunal (14 December 2018)
