

Schedule 6 Compliance Notice

This Schedule contains a template setting out the information and general format for the giving of Notice by the Local Government for some types of Activities that may affect Native Title

Native Title Notice

Note: some words and phrases are defined in Schedule 1 of the ILUA

To: The Boonthamurra People

(insert address)

1. Purpose of Notice

This is a Notice for the purpose of ensuring that certain Activities comply, for purposes of Native Title, with an indigenous land use agreement between Barcoo Shire Council, Quilpie Shire Council and the Boonthamurra People (**ILUA**).

The Notice refers to a Single Activity or Multiple Activities. *Tick relevant box.*

2. Category of Activities

Under the ILUA this Notice is given to inform about proposed High Impact Native Title Activities (Schedule 5 of the ILUA).

3. Proposed Activity

The general description of the proposed Activities is attached and marked A.

Attach description of the Activity.

The description should include details of:

- the nature, scope and objectives of the Activities;
- how the Activities will be performed;
- any natural resources proposed to be obtained from the area; and
- the likely impact of the Activities on the environment.

4. Freehold or Non Freehold

The tenure of the land or waters affected by the proposed Activities is:

- Freehold Land (or other Extinguishment Area). OR
- Non-Freehold Land. OR
- Both Freehold Land (or other Extinguishment Area) AND Non-Freehold Land.

General information about how an assessment of Native Title extinguishment in the Extinguishment Area was reached (complete if relevant:)

 Attach additional relevant material.

5. **Description of the Land or Waters**

Certain activities are proposed on, or in relation to, the following land or waters:

Lot description (if applicable): _____

Size of Lot (approximately): _____

Street address (if applicable): _____

General description of the location: _____

6. **Maps**

 Attach maps.

A map/s of the area affected by the proposed Activities and surrounding landscape (called the "Project Area") is attached and marked B.

Wherever possible a cadastral map and a topographical map should be attached that:

- depict the Project Area and label (if scale permits) relevant areas or features (including creeks, roads and if possible vegetation);
- clearly depict areas excluded from the Project Area (if applicable and possible);
- include a locality map; and
- contain a geographic or grid reference system (if possible including a scale bar).

7. **How to Respond to this Notice**

A response to this Notice needs to be given (under the ILUA) by *(insert date)* _____

Any response should be in writing using the contact details referred to below.

Signed by Council Representative
