Use of Coordinates:

Where coordinates are used within the description to represent cadastral or topographical boundaries or the intersection with such, they are intended as a guide only. As an outcome to the custodians of cadastral and topographic data continuously recalculating the geographic position of their data based on improved survey and data maintenance procedures, it is not possible to accurately define such a position other than by detailed ground survey.

Part 2 - Excluded Areas

The following areas within the external boundaries described in Part 1 of this Schedule 1, generally shaded in pink on the maps at Schedule 5, being land and waters where native title has been completely extinguished, are not included in the Determination Area:

Reserves

1. Reserve 18890 for the purpose of Water, vested in the Wiluna Road Board pursuant to section 42 of the *Land Act 1898* on 8 May 1925.
2. Reserve 17044 for the purpose of Common (over which leases for purpose of grazing have been granted since 1926).

Public Works

3. Any areas of land or waters where a public work as defined in the *Native Title Act 1993* and the *Titles (Validation) and Native Title (Effect of Past Acts) Act 1995 (WA)* (TVA) (including the land and waters on which a public work is constructed, established or situated as described in section 251D of the *Native Title Act*) and to which section 12J of the TVA or section 23C(2) of the *Native Title Act* applies.
