Description of the area covered by the agreement

5.(a) Subject to clauses 5(b) and 5(c), the area to which this Agreement applies is the ILUA Area. The Parties agree that APLNG is authorised to undertake all procedural steps required to have this Agreement Registered as an ILUA including completion of all relevant forms, preparation or finalisation of the metes and bounds description of the ILUA Area and anything else required to satisfy regulation 7(2)(d) of the Regulations.

(b) Within 10 Business Days after completion of all construction and rehabilitation works for the ILUA Project, APLNG will give a written notice to the Gaangalu Nation People Applicant (Notice of Completion of Construction).

(c) Subject to clause 5(d), the Parties acknowledge that, as at the latest applicable deemed date for receipt by the Gaangalu Nation People Applicant in accordance with clause 18.1(e), the ILUA Area will be reduced to the area that is identified in, and shown on the map enclosed with, the Notice of Completion of Construction (Final ILUA Area).

(d) The width of the Final ILUA Area identified in the Notice of Completion of Construction may not, in any areas where Native Title Rights and Interests have not been extinguished, exceed 200 metres.

1.1 'ILUA Area' means the land and waters that may from time to time be utilised for the ILUA Project as described in Part 1 of Schedule 1 and indicated on the map in Part 2 of Schedule 1.

[A map and description of the agreement area is contained in Schedule 1 of the agreement. A copy of Schedule 1 is attached to this register extract.

The following general description of the agreement area has been provided by the National Native Title Tribunal to assist people to understand the location of the agreement area. It is provided for information only and should not be considered part of the Register of ILUAs:

The area subject to this agreement covers about 75sq km, approximately 10 km west of Biloela.]
